

GOVERNOR HOUSE

MESSAGE FROM GOVERNOR BALOCHISTAN OWAIS AHMED GHANI ON THE OCCASION OF SEMINAR FOR ALL”

I am pleased to learn that the Provincial Ombudsman is organizing a Seminar in collaboration with Local Government and Rural Development Department Balochistan, Gender Justice through Musalihat Anjuman Project (GJTMAP) UNDP on the topic “Justice for All” on 4 November, 2006 at Quetta.

A good and efficient system of Justice is one of the basic needs of a society which should provide the people free and prompt access to Justice. It is a matter of great satisfaction that beside the Judiciary, the office of Ombudsman & Gender Justice through Musalihat Anjuman Project at Federal and Provincial levels in our country is fulfilling this basic need of our society. This system has, indeed, proved very successful and providing relief to the aggrieved and oppressed people of the country. I congratulate the Provincial Ombudsman, Secretariat Balochistan and GJTMAP, LG & RD for organizing this seminar on a very important topic. I am confident that the seminar would deliberate upon the theme in detail and present its recommendations for improvement of our judicial system in order to ensure Justice for all.

I wish the seminar all success.
